ABREU BENEFIT PROVES SUCCESS IN EVERY WAY
 Two thousand people, from every walk in life, passed through the doors of Ye Liberty theater last evening and witnessed the presentation of a delightful and cleverly arranged program of vaudeville acts, in which three score of local as well as professional talent participated.
 The monster performance given as a benefit for the widow and children of the late special police officer, Manuel D. Abreu, proved a signal success from a financial as well as an artistic standpoint. Today it is estimated that about \$1000 will be turned over to Mrs. Abreu as a result of the untiring energy displayed by the committee, including Ed Fogarty, W. P. Fennell, Julius Asch, Jr., Joel C. Cohen and M. S. Swift, assisted by A. K. Vierra in the capacity of stage manager.
 From 7:30 until shortly after 11 o'clock there was not a dull moment at the big theater. The various turns passed in review with pleasing and refreshing promptness. Appreciation in the form of abundant applause was meted out without discrimination.
 The seating and floor management left little to be desired. Brother officers of the deceased, identified with the local police force, who could be spared from duty were on hand to see that the entertainment went off without a hitch. There were many happy surprises brought to light as the program reached its termination. The selections of the Honolulu Glee Club received a storm of enthusiastic approval. Its membership includes a delegation of singers who have heretofore modestly refrained from appearing before the public. The club consists of Clement Wong, James Crowell, Sam Kuroda, Robert Kanani, Fred Noa, David Lus, David Paaluh, Geo. Kalanui, Wm. Manai, Geo. Keoa, Sandy Moore and Joe Kekuhiwa.
 Local Japanese contributed a delightful feature to the entertainment in the Gaiasha dance, in which 16 young women picturesquely costumed figured. The Ad Club quartet was much in evidence with an array of melodies.
 The Police Octette including Captain D. H. Kahanamoku, Captain C. H. Parker, Hugo Kanea, Peter Kaal, G. H. Killa, Robert Holbrook, John P. Kabanahu and David Keohi, made a distinct hit. The officers played and sang their way into the good graces of a vast audience.
 Along the close of the entertainment the Monte Carter Company appeared on the stage in a series of melodies and comedy skits.
 Each and every number on the program was given an enthusiastic reception.

Similarly it might be said that he that feels the headache does not sleep unless he uses the wise precaution to take Stearns' Headache Cure, which quickly drives away the pain and makes sleep possible. S. Military Reservation to the Wahiawa Railroad Station, City and County of Honolulu.
 Plans, specifications and form of proposal may be had upon application and a deposit of Ten (\$10.00) at the City and County Clerk's Office.
 The Board of Supervisors reserves the right to reject any or all tenders and to waive all defects.

Ayer's Hair Vigor

Stops falling hair. No mistake about this. Use it, and you will be greatly pleased with its prompt action.
 It also cleanses the scalp, and prevents the formation of dandruff. It improves nutrition of hair-bulbs, making them produce a luxuriant growth, and it gives a fine, soft finish to the hair. Never colors the hair. Ask your doctor and do as he says.
 To have beautiful hair, the general health must be good. Keep the blood pure and rich, and have the nerves strong and steady. Ayer's Sarsaparilla will certainly do all this for you.

OVER-NIGHT FEDERAL WIRELESS To the Advertiser
 Huerta is making a desperate and final attempt to change the attitude of the foreign powers toward Mexico by the severest campaign waged against the rebels since the Madero government was overthrown. Huerta has sent orders to all federal commanders to carry on a campaign of extermination against the insurgents.
 A military road along the Rio Grande to permit the safe movement of troops and munitions of war and to provide easy patrol of the Mexican border, was proposed in a joint resolution offered in the senate yesterday by Senator Sheppard of Texas. The secretary of war is authorized by the resolution to make a survey and \$25,000 is appropriated for the work. The resolution was referred to the committee on army affairs.
 A request for the extradition of former President Zelaya of Nicaragua reached the state department in Washington yesterday. The application for the arrest and deportation of the former dictator was signed by the president of Nicaragua, who asked that Zelaya be detained on charges of murder and embezzlement. The application for extradition was sent to the department of justice. The arrest of Zelaya will be left to the officials of that department.
 Jules Vedrines, the noted French aviator, plans to fly to Austria. Vedrines came back into prominence the other day when in his flight from France to Bohemia he defied the German authorities by flying over their country without permission.
 As a sequel to Harvard's football victory over Yale on Saturday, came the announcement yesterday of the engagement of Ellmore, daughter of Bishop William Lawrence, of the Massachusetts diocese, to Lewis Hunt Mills, a Harvard football player and oarsman. Mills, whose home is in Portland, Ore., was a sub-tackle in the game with Yale.
 Alfred Brown, the Long Island City life saver who swam the 24 miles of the Gatun lake, completed the trip through the canal, swimming from Panama to Balboa, at the Pacific entrance. Brown covered the fifteen miles in four and one-half hours. He has now covered all the canal, except the stretch between the Atlantic entrance and Gatun lake.
 Major H. L. Bowly, engineer of the Oregon state highway commission, it was learned yesterday, turned down an offer of \$6000 a year to take a position as director of public works of a South American republic, in order that he might finish his work of directing the construction of the Pacific highway at just half the salary.
